

## Are you an NHS frontline worker who looks after children in hospital?

We need your help to improve NHS hospital care for children and young people.

Take part in a 60-minute informal interview, via a video call, to help us develop the 2026 Children and Young People's Patient Experience survey.

You will be asked about your experiences working in children and young people's day case or inpatient services in an NHS hospital.

Participation is **voluntary** and all answers are **confidential**.

To volunteer, please email us at [volunteer@surveycoordination.com](mailto:volunteer@surveycoordination.com) or call 01865 208135.
