

NHS INPATIENT SURVEY

If you agree to take part in the survey, please complete the questionnaire and send it back in the FREEPOST envelope provided.

For each question, please cross 🗵 clearly inside one box using a black or blue pen. For some questions you will be instructed that you may cross more than one box. Sometimes you will find that the box you have crossed has an instruction to go to another question. By following the instructions carefully, you will miss out questions that do not apply to you.

Don't worry if you make a mistake; simply fill in the box ■ and put a cross ⊠ in the correct box.

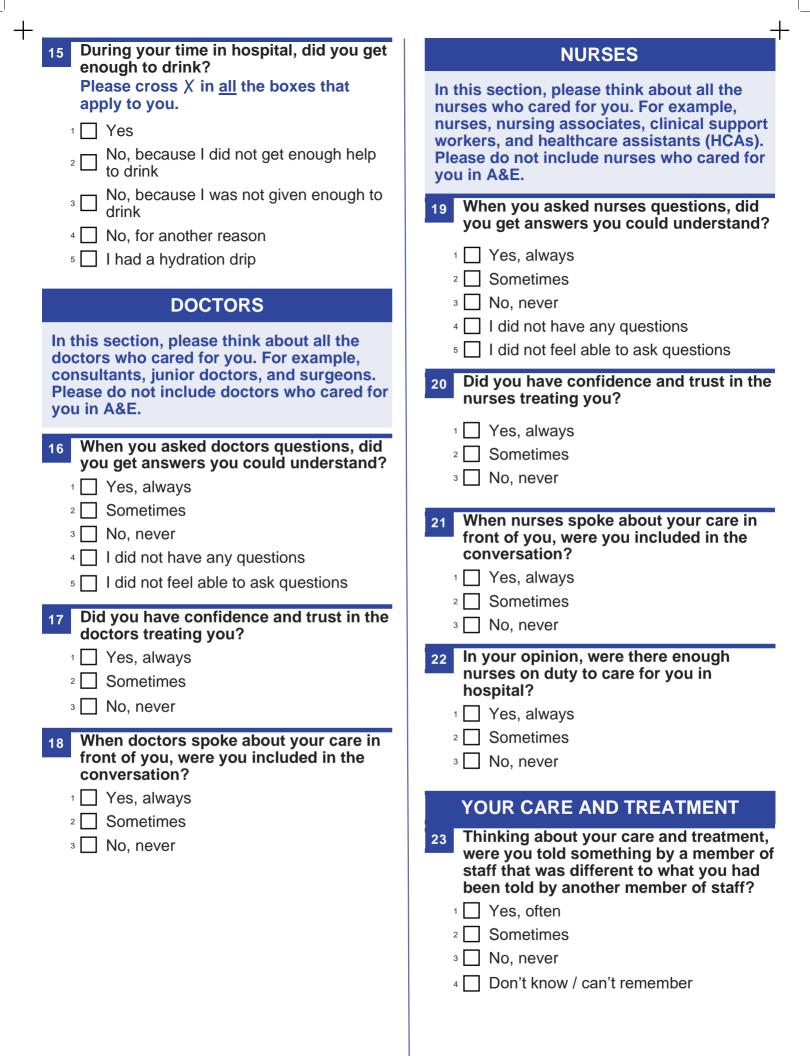

Taking part in this survey is voluntary. Your answers will be treated in confidence.

Please remember, this questionnaire is about your **most recent overnight stay** at the hospital named in the accompanying letter.
