## 2014 national survey of A&E patients

This hospital will soon be carrying out a survey to ask **patients what they think about the care they received while in A&E.**

This is part of a national programme to improve the quality of care for patients. Taking part is voluntary, and all answers are confidential. If you are selected to take part your contact details will be used by researchers to carry out the survey.

If you do not wish to take part, or have any questions about the survey, please contact:
