

NHS Acute Trusts Survey of Emergency Departments 2003

Salford Royal Hospitals NHS Trust

For details on how to interpret these charts and tables, please refer to the document on the patient survey results section of the CHI website. The trusts results are not shown where there are fewer than 30 responses to a question.

Access and waiting

How long did you wait for your priority to be assessed?

Were you told your priority level?

Was the priority system fair?

How long did you wait to be examined?

Overall how long were you in the emergency department?

How long did you wait for tests to be carried out?

How long did you wait to get to a room or ward and bed?

Safe, high quality, coordinated care

Did you have confidence and trust in the doctors and nurses?

Did doctors and nurses know enough about your condition or treatment?

Did different members of staff give conflicting information?

Were you told about danger signals to watch for after leaving the emergency department?

Were you told who to contact afterwards, if worried about condition/treatment?

■ Best performing 20% of trusts	◆ This trust (trust's score shown as a yellow diamond, with 95% confidence intervals marked by vertical lines on either side)
■ Intermediate 60% of trusts	
■ Worst performing 20% of trusts

Salford Royal Hospitals NHS Trust

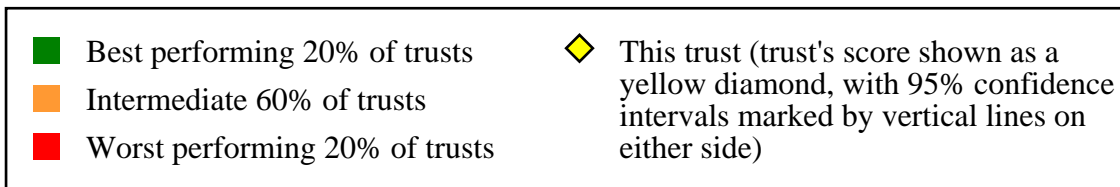

Better information, more choice

- Did a doctor/nurse explain condition/treatment?
- Were you given the right amount of information about your condition/treatment?
- Were you involved in decisions about your care and treatment?
- Were the results of tests explained?
- Were the purposes of medications explained?
- Were you informed of medication side effects to watch for?

Building relationships

- Did you have enough time to discuss your problem with the doctor/nurse?
- Did doctors/nurses listen to what you had to say?
- Were doctors/nurses not telling you things you wanted to know?
- Did a doctor or nurse discuss any anxieties you had about your condition/treatment?
- Did doctors/nurses talk in front of you as if you weren't there?
