

EXPERIENCE OF MATERNITY CARE

What is the survey about?

This is a survey about your recent experience of maternity care. Your views are very important in helping us to understand what went well with your maternity care and how it could be improved in the future. Please remember, this questionnaire is about your **most recent** pregnancy and birth at the NHS Hospital trust named in the accompanying letter.

Completing the questionnaire

If you agree to take part in the survey, please complete the questionnaire and send it back in the **FREEPOST** envelope provided.

For each question, please cross ☐ clearly inside one box using a black or blue pen. For some questions you will be instructed that you may cross more than one box. Sometimes you will find that the box you have crossed has an instruction to go to another question. By following the instructions carefully, you will miss out questions that do not apply to you.

Don't worry if you make a mistake; simply fill in the box ☐ and put a cross ☐ in the correct box.

If you cannot answer a question, or do not want to answer it, just leave it blank and go to the next question.

Taking part in this survey is voluntary. **Your answers will be treated in confidence.**
