Community Mental Health Survey 2022

This trust will soon be carrying out a survey to find out what service users think about their care. This is part of a national programme to improve quality of care and service users' experiences.

Your views are important to us

Taking part in the survey is voluntary and all answers are confidential.

If you are selected to take part, your contact details (name and postal address) will be used by researchers to carry out the survey.

If you **do not** want to take part, or have any questions about the survey please contact;

- Trust phone number (required)
- Trust email address (if available)
- Trust Address (if available)
